

Regional training on Phasing Out Single-Use Plastic items in the Mediterranean

Activity Number: RE-1-REG
Online January/February 2021

AGENDA

Webinar 3 | Thursday, 11 January 2021, 10h to 12h (CET) **Feasibility and impact of measures in the Mediterranean**

What will participants get out of this Webinar?

Participants, particularly policy makers, will enhance their capacity to assess the feasibility and potential effects of measures to address Single-Use Plastics (SUPs), through:

- ▶ Learning how to determine, carry out and assess the baseline situation in a given country in terms of SUPs production, consumption, waste management practices, and leakage into the environment
- ▶ Exploring the potential impact that different policy measures would have in a given context.
