

**Regional activity on
Phasing out single use plastic items in the Mediterranean
Activity No: RE-1-REG / RE-1-P2P**

Agenda

**Peer-to-Peer thematic meeting:
green public procurement, and other
actions by public administrations to limit
SUPs**

18th February 2021, 12.00 – 13.30 CET (virtual meeting)

1 BACKGROUND AND OBJECTIVE

During the 2nd P2P meeting, based on peer’s interests and needs, a proposal for addressing specific themes was made. Several thematic meetings were proposed and two topics were selected: green public procurement (and other actions by public administrations to limit SUPs) and bans.

Hence, this meeting will present several initiatives to **address SUPs through action by public authorities**, particularly through two case studies in **France and Montenegro**.

3 HOW TO CONNECT TO THE MEETING AND PRACTICAL INFORMATION

Kindly read the following recommendations for a successful participation to the online meeting:

- Internet Connection: Connecting your PC to the internet through an Ethernet (LAN) cable is highly recommended. WiFi often causes breakups when transmitting sound, this could cause low quality of sound and losing parts of the speech for other participants.

Water and Environment Support

in the ENI Southern Neighborhood region

- Sound: If possible, use a USB headset, this will avoid outside noises and will provide a clearer voice when speaking.
- Camera: Your camera needs to be adjusted to point at you.
- Workspace: Use a quiet place, if you can, close all windows to avoid external sounds such as traffic and be mindful of noises you create if your microphone is ON.
- Accessing the platform/Identification: when accessing the platform please make sure you enter your name and surname.
